Welcome to the April issue of the Frontline Scoop!

In April the first responder course got underway. This course is on Monday and Thursday evenings and is taught by Clinical Lead Felecia and other instructors.

Emergency Dispatcher week was celebrated and Stoddard County dispatchers had a celebratory dinner hosted by 911 services director C.Moreland. Fun games were played, and prizes were won.

Dispatch Supervisor C. Gibson and K.Dill raised over \$3500 through t-shirt sales and outside donations for Michael Collins, Conversation Agent and friend battling cancer

## April Staff Meeting

Every month, a meeting is held in the training room to discuss old and new business, an open forum meeting to address achievements and opportunities for improvement.

At every meeting, the district attempts to have a form of training. This month, 911 Services J. Forshee introduced the new mapping programs for the county which includes maps of all Stoddard County schools. This better equips PD, County Deputies and first responders with knowledge of building layouts in times of emergency

## Upcoming events and classes

- May 20-24<sup>th</sup> EMS Week
- May 29-31<sup>st</sup> GRIN CLASS
- June 21<sup>st</sup> BLOOD DRIVE

**“WE BELIEVE THAT ALONE WE ARE POWERFUL AND TOGETHER WE ARE UNSTOPPABLE”**

## EMPLOYEE SPOTLIGHT

Every month, peers nominate a “spotlight employee.” For the month of April that employee was Lanye Johnson, EMT-B. Lanye has been in EMS since 2020. Starting at SCAD as an intern. Lanye has great patient care skills and enjoys that every day is different when working in EMS. Lanye enjoys being with his fiancé and dog on his days off. We are proud to work alongside Lanye.

## Awareness Month

April is National child Abuse Awareness month and is also Autism Awareness month. Community Pinwheel walk will be held at West Park in Dexter on April 13<sup>th</sup> from 10am to Noon. No registration needed.

Autism is a condition that affects millions of people around the world. Understanding and celebrating differences can create a more inclusive and compassionate society.
